UNIVERSITY SYSTEM OF GEORGIA

What are your agency's data holdings? How do you govern your data holdings?

UNIVERSITY SYSTEM OF GEORGIA

How do you ensure the quality of your data holdings, and how do you approach known issues compromising data quality?

UNIVERSITY SYSTEM OF GEORGIA

How do you communicate and share your agency's data?

UNIVERSITY SYSTEM OF GEORGIA

How do you promote data usage amongst your agency's staff and stakeholders?

UNIVERSITY SYSTEM OF GEORGIA

What is one data strategy tactic you would recommend to all other SHEEOs?

UNIVERSITY SYSTEM OF GEORGIA

Synthesis

- Similar data elements collected, though variation at a granular level
- Consistent practices in processing, error checking, and documenting data collection
- Data is communicated in multiple ways to multiple stakeholders
- Use of data (beyond the Research team) is related to the engagement of staff about data availability and application
