

**UNIVERSITY SYSTEM OF GEORGIA**

# **Optimizing Academic Program Data for Advocacy and Oversight**

Angela Bell, Vice Chancellor for Research & Policy Analysis

Laura Lynch, Associate Vice Chancellor for Academic Programs & Policy

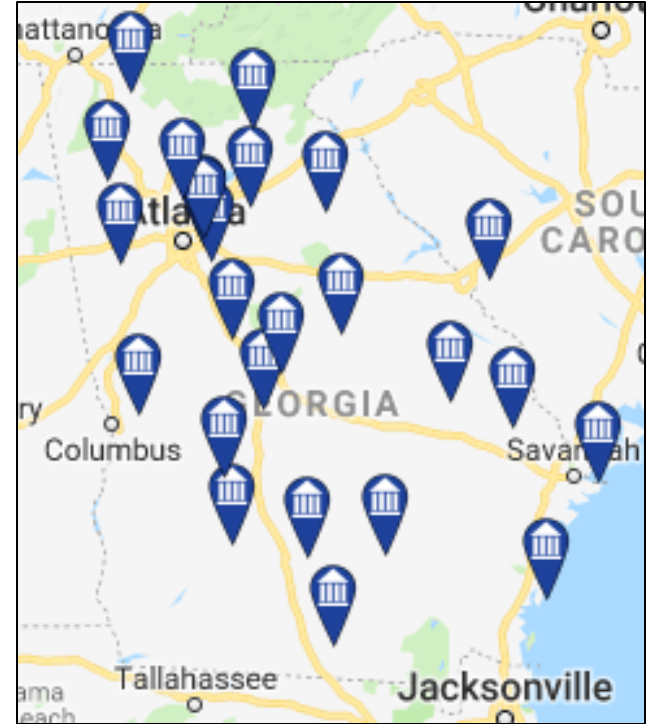

August 13, 2025

# Session Flow

- Introduction to USG and its Catalog of Authorized Academic Programs (CAAP)
- Description and lessons learned from project to update CAAP processes, data, database, and build better online academic program data tools
- Discussion with you on similar projects and future directions

# University System of Georgia

- Governed by Board of Regents with broad policy oversight including academic program approval
- 26 public, four-year universities and colleges
  - 4 Research Universities
  - 4 Comprehensive Universities
  - 9 State Universities
  - 9 State Colleges
- 364,725 students in Fall 2024
- 82,607 credentials awarded in FY25

# Catalog of Authorized Academic Programs (CAAP)

- Database of all academic programs (degrees, majors, and certificates) approved to be awarded at each institution
  - In Oracle APEX, maintenance shared responsibility of system office Academic Affairs, Research & Policy Analysis, and Enterprise Data Management & Analytics teams
  - Elements include description, level, CIP, date approved, modality, etc.
  - Integrates with student-level Academic Data Collection to validate program enrollment and awards
  - Had public-facing web interface with subset of data elements
    - Utilized in institutional program analysis and proposals
    - *Technically* could be used by prospective students

# Changing Needs and CAAP Project

- Modernized name
- Academic Affairs personnel needed better functionality (access to more fields, filters, etc.)
- Data quality issues (e.g., consolidations, terminations not registered, some fields incomplete or out-of-date)
- Creation of *Georgia Degrees Pay* website as centralized student-focused website required user-friendly academic program search tool
  - Needed to add fields like website links, campuses

# CAAP Project Components

- Redesign of approval process and data pipeline
- Comprehensive data expansion and cleanup
- Database enhancement
- Creation of enhanced tool for system and institution practitioners (and rollout)
- Creation of student-focused search tool (and rollout)

# CAAP Project Team

## Establishing Degrees and/or Majors

Degrees/Majors typically require at least a 3 - 5 month period.

1. An initial review by USO Academic Affairs staff occurs for all proposals.
2. After this initial review/revision period, the proposals are sent to the Academic Affairs, Fiscal Affairs, and Operations. This team meets once per month to review proposals. In which case a recommendation is often not made until a second meeting. If there are questions, this step typically takes 1 - 2 months.
3. Once IART recommends a proposal for approval, the proposal is then added to the agenda. This step typically takes 2 months.

**Example Timeline:** An institution submits a new degree proposal. The proposal is added to the late September IART agenda. IART has no further action. The proposal has been set at this time, so the proposal is then added to the next meeting agenda.

Item Level	Institution Name	Degree Name	Major
- Bachelors	Georgia Institute of Technology	Bachelor of Science in Arts, Entertainment, and Creative Technologies	
- Bachelors	Georgia Southern University	Bachelor of Science in Public Policy	Public
- Bachelors	Abraham Baldwin Agricultural College	Bachelor of Science	Organic Leadership
- Bachelors	University of Georgia	Bachelor of Science	Neuroscience
- Bachelors	Georgia Institute of Technology	Bachelor of Science in Mathematics and Computing	

Approval Status	Month Year for E Meeting
Approved	August 2025
Approved	August 2025
Approved	August 2025
Returned to Institution for Revision	
Scheduled for Upcoming BOR Meeting	September 2025

(O) via the Smartsheet Academic Proposals Portal:

Step typically takes 1 - 2 weeks. If 15 members of the USO staff from Academic Affairs, Fiscal Affairs, and Operations. This team meets once per month to review proposals. In which case a recommendation is often not made until a second meeting. If there are questions, this step typically takes 1 - 2 months. Once IART recommends a proposal for approval, the proposal is then added to the agenda. This step typically takes 2 months. The proposal is added to the late September IART agenda. IART has no further action. The proposal has been set at this time, so the proposal is then added to the next meeting agenda.

Approval Status	Month Year for E Meeting
Approved	August 2025
Approved	August 2025
Approved	August 2025
Returned to Institution for Revision	
Scheduled for Upcoming BOR Meeting	September 2025

# Sample New Form (Snippets)

UNIVERSITY SYSTEM OF GEORGIA

Current Degree/Certificate Acronym \*

Please include the degree acronym exactly as it appears on the CAAP.  
Example: BS, BA, PHD, EDS, CERO, etc.

## Approval Emails \*

Insert the email address for your Provost, SACSCOC Liaison, Dean, Department Chair, and anyone else who should be notified upon approval. Use a semicolon to separate email addresses.

## Notification Emails

Insert the email address for your Registrar and anyone else who should be notified once this request has been fully processed. Use a semicolon to separate email addresses.

Institution Name \*

☐ I certify that this proposal has already received all appropriate institutional approvals and that the proposal is being submitted with the knowledge and approval of the Provost/VPAA.

Effective Year for this Proposed Change \*

Please specify the calendar year associated with the term selected above.

Change Request Rationale \*

## Points of Contact

Main Point of Contact (if questions) \*

Insert the full name and title of the individual who should be contacted in case of any questions.

Main Point of Contact Email \*

Must be a valid email address.

Approval Emails \*

Insert the email address for your Provost, SACSCOC Liaison, Dean, Department Chair, and anyone else who should be notified upon approval. Use a semicolon to separate email addresses.

Notification Emails

Insert the email address for your Registrar and anyone else who should be notified once this request has been fully processed. Use a semicolon to separate email addresses.

☐ Send me a copy of my response

## Academic Program Proposal Approved by Board of Regents

Abraham Baldwin Agricultural College,

Your request to establish the below program was approved at the August 2025 Board of Regents' meeting.

Bachelor of Science  
Organizational Leadership  
Degree Acronym: BS  
CIP Code: 52021300  
Effective Term: Spring 2026

Once your institution is ready to enroll/graduate students from this program, the "Activate a Newly Authorized Program" Request Form will need to be submitted on Smartsheet so that this program will appear on the Georgia Degrees Pay search tool. Your Registrar's Office will receive errors in the Academic Data Collection process for any enrolled students until that form is submitted.

Thank you,  
Dana Nichols  
Vice Chancellor for Academic Affairs and Student Success  
University System of Georgia

## Academic Program Proposal Processed on CAAP

Georgia Institute of Technology,

Your request to establish the below program has been processed and is now updated on the CAAP with status "Authorized, Not Yet Active."

Bachelor of Science in Arts, Entertainment, and Creative Technologies

Degree Acronym: BSAECT  
CIP Code: 110089901  
Effective Term: Fall 2026

Once your institution is ready to enroll/graduate students from this program, the "Activate a Newly Authorized Program" Request Form will need to be submitted on Smartsheet so that this program will appear on the Georgia Degrees Pay search tool. Your Registrar's Office will receive errors in the Academic Data Collection process for any enrolled students until that form is submitted.

Please contact Jennifer McManus ([jennifer.mcmanus@usg.edu](mailto:jennifer.mcmanus@usg.edu)) if you have any questions regarding the CAAP updates.

Thank you,  
University System of Georgia

# CAAP Database Enhancement

- Decided to stay with APEX
  - Added new views, crosswalks
  - Validations
- Added new fields to facilitate tracking and additional information for student program finder
- Changes to existing fields

# CAAP Data Fields

- Institution (Name & FICE Code)
- Degree (Level, Acronym, & Name)
- Major Name
- CIP Code & Definition
- Status (e.g., Active)
- Delivery Mode (with new definitions)
- Dates
  - Approval Date
  - Effective Date
  - Deactivate Date
  - End/Terminated Date
  - Last Activity Date & Reason for Change
- Program Hours
- Comprehensive Program Review
  - Previous Review Year
  - Next Review Year

- |  |                       |
|--|-----------------------|
| <ul style="list-style-type: none"><li>• Campus Locations</li><li>• Program Characteristics<br/>(e.g., fallback program)</li><li>• Webpage Links<ul style="list-style-type: none"><li>– Program Specific</li><li>– Institution Admissions</li></ul></li></ul> | <b>New<br/>Fields</b> |
| <ul style="list-style-type: none"><li>• Accrediting Agency</li><li>• Program Long Description</li></ul>  |                       |

**Added  
Recently**

# CAAP Data Cleanup and Additions

- Institution (Name & FICE Code)
- Degree (Level, Acronym, & Name)
- Major Name
- CIP Code & Definition
- Status (e.g., Active)
- Delivery Mode
- Dates
  - Approval Date
  - Effective Date
  - Deactivate Date
  - End/Terminated Date
  - Last Activity Date & Reason for Change
- Program Hours
- Comprehensive Program Review
  - Previous Review Year
  - Next Review Year
- Campus Locations
- Program Characteristics  
(e.g., fallback program)
- Webpage Links
  - Program Specific
  - Institution Admissions
- Accrediting Agency
- Program Long Description

# Creation of New Online Tools

- **Tool for Practitioners:** Academic Affairs provided requirements, some had campus experience for that perspective
- **Student-Facing Tool:** researched other state systems, input from Academic and Student Affairs, Communications, Web Services
- Built in Power BI, had some help from Deloitte

# Tool for System and Campus Practitioners

### Important Message

The University System requirements for Academic Success for 23 of the 26 USG institutions are based on SAT/ACT scores, or scores meeting a higher minimum score.

The temporary test scores are based on the scores from the fall 2020 test.

Beginning with Fall 2021, the scores will be based on the scores from the fall 2021 test.

### Undergraduate Enrollment Profile

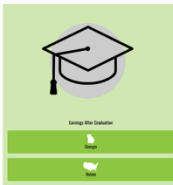

Use this page to compare enrollment statistics between two USG colleges/universities. Choose colleges/universities from the dropdown menu on the right and the table will adapt.

How large is the school?

What is the student body like?

How selective is the school?

- ① Undergraduate Enrollment
- ① Percentage of Students
- ① Percent of Students Living in Dorms
- ① Race and Ethnicity
- ① Percentage of Students Retention
- ① Average Freshman Grade

Using the dropdown

Reset

Save

Use the dropdown menus below to select the major, program level, and college/university to see the salary associated with graduates of that major up to 10 years after graduation. The reset button near the bottom resets the selections to the default values. No results will appear if the selected program level and major are not offered at the institution or if there are fewer than 10 graduates represented. Be aware these results are also based on graduates of academic programs that existed at the time but may have since been discontinued. Consult institution websites for current offerings.

# Within-System Rollout

- Emails to campus user groups and inclusion in presentations at their meetings:
  - Provosts
  - Academic Program Leads
  - Registrars
  - Admissions
  - Institutional Research and Planning
  - Accreditation Liaisons
  - Academic Advisors
  - Career Services

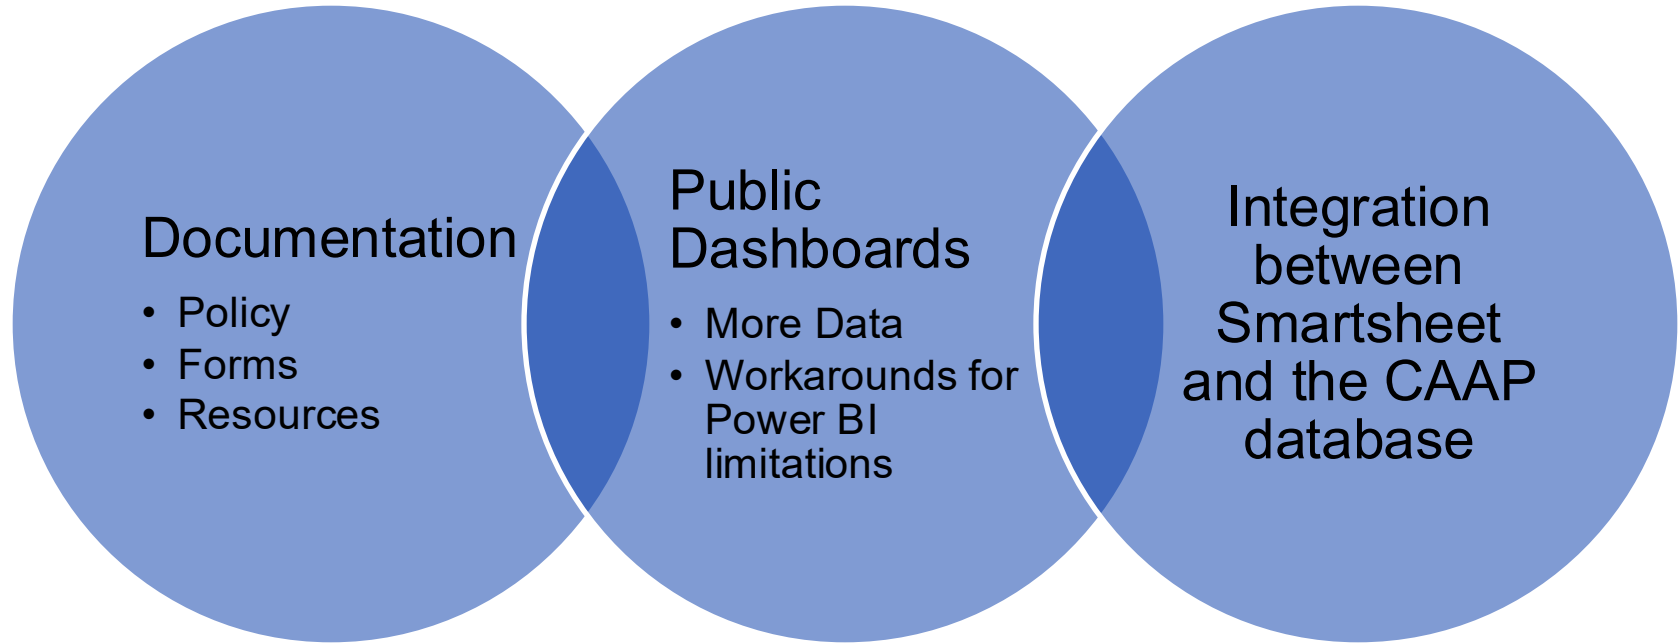

# Public Rollout

- Presentation at BOR meeting
- Press releases and outreach to select media outlets
- Social media (often)
- Outreach to government partners
- High school counselor meetings and resources

# Continued Process Improvement

# Career Navigator and Credential Engine

## Governor's Career Navigator Initiative

- Comprehensive career guidance system (department of education + both public systems for higher education)

## Credential Engine

- Repository to capture credentials and credentialling pathways

## Additional Data Needs

- Accrediting Agencies
- Program Long Description
- New Crosswalks (SOC Codes, Bursar/Financial Aid webpages, Audience Level, Estimated Duration)

# Takeaways

## Transparency

- Programs
- Changes
- Process

## Efficiency

- Automation
- Ease of Access

## Documentation

- Prevent campus interpretation of policy/procedure

## Data Validation

- Between system & institutions

# Discussion
